Projects approved (note projects are not reviewed in numerical order):

During this reporting period, the Data Trust Committee did not receive any requests requiring formal review or approval. Although no applications were considered, committee members continued to provide valuable oversight and support to PIONEER's governance framework, helping to ensure that future research proposals are assessed transparently and with the interests of patients and the public at the forefront.

For each of the approved requests, a lay summary will be available on our website. Note, requests are not necessarily reviewed by the Data Trust Committee in numerical order but based upon an evaluation of priorities.
